

## COVID-19 POLICIES AND PRECAUTIONS

UPDATED AUGUST 20, 2020

### We are open. And your safety is our priority.

Temperature checks for all attendees are required. Guests who have a temperature of over 100°F will not be permitted to enter.

You *MUST* wear a mask to enter. No exceptions. You may take off your mask while seated at your table however if you get up for any reason you *MUST* put your mask on. This is for your safety and the safety of everyone in attendance. We ask when you are not eating or drinking to keep your mask on.

We will be offering a limited food menu. We will continue to offer our entire beverage program, but there will be no in-person service at the bar. Table service only. Co-mingling of groups or communal seating outside of your purchased table is prohibited.

We will no longer offer will call ticketing. All tickets will be sent via e-mail. You may print tickets at home or show them to us on your phone for entry.

### We're taking even more steps to keep you safe.

- Our staff will be temperature checked upon arrival.
- All staff, including kitchen staff, will wear masks.
- In addition to masks, our servers will wear face shields.
- Our tables will be six feet apart and sanitized between shows.
- Artists will perform behind a plexiglass barrier, 10 feet away from the front row.
- Hand sanitizer will be available throughout the club.
- We will offer contactless payment options and single-use, disposable menus.
- To minimize contact as much as possible, we will have buttons on each table to request service.

### We are only selling complete tables.

To accommodate the policies noted above and to stay within state, city, county and CDC guidelines, our capacity has been significantly reduced. Selling **complete tables** is the only way we can run a sustainable operation; **keeping you safe and paying our bands what they deserve**. Individual tickets are not available at this time. We are selling 2-top, 4-top and 5-top tables. Please refer to the floor plan on page two, and note that the floor plan is subject to change on a show by show basis.

Mahalo for your kokua, and for supporting live music in Hawaii.
